## Support the U.S. Cattle Producer and Support a U.S. Product!

Dear Members of the United States Congress:

We support an amendment to the Beef Promotion Act that will allow a portion of the Beef Checkoff dollars collected from U.S. cattle producers to be used in the specific promotion of products derived from cattle that are born, raised, and processed in the United States.

We, the undersigned, encourage you to support the U.S. cattle industry!
